

IMPORTANT NOTICE: This application must be completed in full and signed by the party or parties requesting water and/or wastewater service. In signing this request, the applicant understands and agrees to the following. **“The District reserves the right to terminate water and/or wastewater service in the event that the applicant fails to pay all currently required fees and charges, complete and submit to the District office, at the address below, all required District Construction Inspection Reports, Customer Service Inspection Reports, Backflow Test & Maintenance Reports, Water and Wastewater “TAP” Location Sketches, and Water and Wastewater Service Agreements”.**

Application for New Water Service and/or New Wastewater Service

Name of Applicant: _____ Emerald Bay Club Number _____

Service Address _____ City _____ State _____ Zip _____ Phone Number _____

Email _____

Type of Service Requested: Water Service Wastewater Service *Windcliff Harbor Wastewater
 Mallard’s Cove Water & Wastewater

Builder/Developer Name: _____ Builder’s Company Name: _____

Phone # _____ Cell # _____ Address: _____

Builder’s Texas License Number: _____ City _____ State _____ Zip _____

Notes to Applicants:

All required “Tap Fees” and “Plumbing Inspection Escrow Funds” are due at the time of application and payable directly to the District. *There is no Emerald Bay HOA building permit or plumbing inspection for construction within The Windcliff Harbor Subdivision – Tap Fee Only.

The District requires that water taps and water meters be installed by District personnel or the District designee only. Wastewater (Sewer) taps may be installed by any licensed plumber but **must** be left uncovered until the actual tap connection is inspected by a district officer or designee.

Any associated connection cost incurred by the District such as meters, excavation, boring, connection parts, and labor are billed directly to the applicant, at actual cost (no markup), when service connections are completed and in service.

Current District Rules, Regulations, District Ordinances, Water and Wastewater Rates, and Fees are available for review at the Emerald Bay Municipal Utility District’s web page www.emeraldbay-tx.gov.
