I understand that a connection fee is required to establish utility service. **The connection fee is \$350 for new members and \$150 for current members.** If this applicable connection fee is not paid before the first billing statement is issued, the fee will be added to my first billing statement.

I accept responsibility for payment of all utility bills associated with the property and agree to abide by all rules, regulations, ordinances, rates, and fees governing utility services as established by the Emerald Bay Municipal Utility District (the "District") and adopted by the Emerald Bay MUD Board.
